- * [] Comment. The 108th Tank Regt of the 9th Tank Div is carried in the Mudra Kaserne and the 70th Gds Hvy Tank SP Regt of the same division in the Von der Goltz Kaserne in Riesa. It is fairly definitely believed that both regiments were transferred to the Zeithain troop training grounds in late April. See [] Only rear details of 100 men were reported in each of the two barracks installations from that time up to June. The occupation of the Mudra Kaserne by 200 to 1,000 troops in late August is unconfirmed. It is possible that the pipings of the epaulets was a faded black rather than blue.
